- Safely and proficiently operate equipment to prevent accidents or damage of property.
- Abide all company and manufacturer provided safety operational procedures and industry safety standards.
- Thorough pre-inspection and post inspection of equipment.
- Must be willing to assist in manual labor.

A Candidate Should Possess the Following Skills/Attributes:

- A self-starter who can work independently, diligently, and responsibly with minimal supervision.
- Work as a member of a team. Manage time wisely and meet a deadline.
- Strong work ethic, physically able to lift 50 pound and the ability to stand or kneel in wet, dirty, or undesirable conditions for long periods of time.
- Must be able to represent GBD, LLC in a professional and ethical manner.

Experience:

- 1+ years' experience in construction and operating heavy equipment and grade work. Or Apprentice with 3,500+ hours.
- Experience in pipe laying, and infiltration systems a plus.
- Commercial Driver's License a plus.
